WHEELS & BRAKES high performance for aircraft

Calendar 2010 BERINGER available for 19€ retail

BERINGER wheels & brakes for aircraft begin to be well known. One knows well also BERINGER high performance brakes for motorbikes. What is not so well known is BERINGER as photographers.

It is done with the 12 shots of the following calendar. These photos have been chosen from the thousands of photos taken by BERINGER family from 2007 to 2009 during Oshkosh show, which represents the most interesting site for passionately fond of aviation.
