Misaki proudly supports the Prince Albert II of Monaco Foundation by donating a portion of total sales of our Shark watches to support the Foundation's actions for marine life protection.

Founded in 2006, the Prince Albert II of Monaco Foundation is dedicated to the protection of the environment and the promotion of sustainable development on a global scale.

*“ I decided to set up a Foundation whose purpose is to protect the environment and to encourage sustainable development (...). By definition, this is a common global challenge that requires urgent and concrete action in response to three major environmental issues: climate change, biodiversity and water.”*

Sharks have inhabited our oceans for more than 400 million years. Although they have long been considered a fearsome species, sharks play a vital role in maintaining the health of marine ecosystems.

The Shark Watch Collection, inspired by the graceful silhouette of the shark, pays tribute to the beauty of this mysterious creature.
